

ISTITUTO PASTEUR - FONDAZIONE CENCI BOLOGNETTI
Sapienza Università di Roma

GAIA LUONI PRIZE 2009

EURO 10.000,00

The **Gaia Luoni Fund** was created within the framework of activities of the Istituto Pasteur-Fondazione Cenci Bolognetti in memory of Dr. Gaia Luoni, a young researcher prematurely passed away. The Fund, a donation by Gaia Luoni's family, finances the **Gaia Luoni Prize** of 10.000,00 Euros awarded annually to support leading young researchers who made an outstanding contribution to the field of

Genetics of malaria

APPLICATIONS for the GAIA LUONI PRIZE 2009

- Applicants must have received a University degree not earlier than 27 July 2003;
- On line submissions and/or paper submissions signed in original by the applicant must be sent to the Istituto Pasteur-Fondazione Cenci Bolognetti (address given below) by July 27 2009;
- Applicants must include: (i) a *curriculum vitae*; (ii) an official certificate of their University degree, and documentation attesting if they received a PhD (if available); (iii) a scientific project in the relevant field (max 20.000 characters); (iv) a list of publications; (v) any other information or document useful for the evaluation of their training and achievements.

- The Prize will be assigned following evaluation by an international Committee nominated by the Istituto Pasteur-Fondazione Cenci Bolognetti. The decision of the Committee is definitive, and its report will be notified to Gaia Luoni's family as well as to other contributors to the fund.

- The **Gaia Luoni Prize 2009** will be presented to the awardee on the occasion of the Istituto Pasteur Science Days that will be held in Rome on October 9th and 10th 2009 on *Liver development and disease*.

- The awardee is requested to acknowledge the contribution of the Gaia Luoni Prize in any publications relevant to the project carried out.
